

American Corner Workshop

*Participants of the American Corner Workshop
Sharing their experience and observations about
the Corners*

American Corner Coordinators Workshop was held from February 13—14, 2007 in the American Corner Sylhet. The three American Corner coordinators, one representative from each host institution, IRC Director, FSN Corner coordinator and the Information Resource Officer for India, Nepal, Sri Lanka and Bangladesh Ms. Wendy Zaman participated in the two days long program. IRO Wendy Zaman conducted the workshop with her two presentations on Presentation Skills and Customer Services which were very useful and informative for the participants. The participants

shared their experience, observation and their future program plans during the workshop.
